Come and ride Wakkerstroom... Weekend of the 31st March 2017.

One of the coolest places on the planet. Only 3 and a bit hours from JHB.

Spectacular riding through the mountains. A lekker Long ride on Saturday with lots of technical bits. Shorter technical ride on Sunday. Not a race! A fun weekend in the saddle with your mates! Wakkerstroom is a haven and an escape from the Big Smoke. Going to this quaint little village on the border of Mpumalanga and Natal is a bit like stepping back in time...

We've found some fantastic routes through the surrounding mountains...

On Saturday morning, we head out on the trails – absolutely fantastic – great for the families with easy routes for the moms and kids and some great technical bits and pieces for the guys and gals who want to have a more interesting ride. The views are amazing, the riding unbeatable... rivers, mountains – a bit of everything with lunch served on the trail.

On Saturday evening 7pm, the hotel will light the fires, braai packs on sale pap, sous and salads, join us for prize giving – and generally a great party.

On Sunday, we'll hook up with one of the locals for an optional technical ride, so if rocky mountains are your thing, then this is one ride that you will really enjoy...

If you don't ride – this is a great place to come and chill, kick back, read a book, visit all the local shops and pubs, check out the birdlife, take photos and all sorts. Make a family weekend of it...

Our marshals will be along to make sure that you are all well looked after. The routes are all clearly marked and really interesting so you can ride at your own pace. Our paramedic will be on hand to take care of any aches and pains.
