## Tri Nations ride 2017:

South Africa, Swaziland, Mozambique **Friday 30th – Sunday 2<sup>nd</sup> July 2017.**

Bikes, Quads, Buggys and side by sides all welcome! 500 odd Kilometres of riding through 3 countries. Ends on the beach in Mozambique. Marked the whole way – so you ride at your own pace.

**What is Tri Nations?** It is a fantastic social family ride in the dirt – through 3 countries – all the way to the beach.

**Do I need a passport?** Yes. You need a valid passport. We arrange special permits to ride the bikes through the borders.

**Who can come?** Anyone really – as long as you have an off road bike, smaller dual purpose, quad or side-by-side.

We do suggest nothing less than a 200cc though AND we suggest that you have a bit of experience before trying this one! Dual Purpose riders – lots of thick sand...

**Do we need a backup?** Yup – you have to have a backup driver – say 1 bakkie and trailer per five riders. Backup vehicles do not travel along the same route as the bikes. You need to refuel from your backup driver at two points and they will tow you for a short section.

**Is it technical?** Not super technical but quite tricky. Lots of sand and rivers and rocky mountains...

The route has got better and better each. Dual purpose bikes have to know what they are doing...

**Do we load and tow on any of the sections?** Yes – There is a 50km section where you have to tow.

**Do We Need to take our own food?** Bring snacky things and pocket money, but dinners, lunches and breakfasts are all included in the entry fee.

**Accommodation en route?** We sort accommodation and dinner bed and breakfast on Friday the 30th June night 1. Night 2 we book you in at the fantastic Tiger lodge.

Book your own accommodation in Ponta and stay a bit longer. Coco Rico (034) 413-1418.

Central bookings (012) 348-2690 stay on for a day or two – fantastic place!!

**What about petrol?** There are petrol stations every 100 kays – so bring along fuel money – roughly R500 per bike depending on how thirsty your bike is – and how high the petrol price goes... If you cannot do 100 kays on a tank, strap a spare 2 litre to the carrier. You have to refuel from your backup at two points along the trail.

**What if we have an accident?** We have qualified paramedics who ride with us. Helicopters and ambulances are on standby along the whole route.

**Small kids:** From 01 October 2014, the requirement for an unabridged birth certificate for children travelling with parents will come into effect for the safety of children, including their protection from child trafficking, abduction and kidnapping. The Department urges citizens and foreign nationals to heed the call to apply for unabridged birth certificates for children. An unabridged birth certificate of the child reflecting the particulars of the parents is required in terms of the Immigration Regulation 6 (12)(a) for children travelling with parents.

**Tri Nations is a fantastic bushveld adventure!! Bookings open soon, please contact the organizers: foleyg@mweb.co.za (011) 979-5035. (011) 979-0053 083-314-2203. 082-8706134. 072-177-0621**
